

WABF Business Advice Surgery

in partnership with

Woking Children's Centre

Blackmore Crescent

Woking

GU21 5NZ

2nd Wednesday of every month

10am 'till 2pm

- ☞ The surgery is the “first port of call” offering a regular advisory service for local parents/members who wish to investigate and develop business ideas.
- ☞ Provides advocacy on behalf of Asian families in and around Sheerwater to gain skills.
- ☞ Helps, promotes, supports and encourages development of individuals.

Our approach is holistic, ensuring that the family, cultural, educational and broader needs of the community are encompassed in our plans and actions thereby driving economic growth.

Surgeries are held on a first come first served basis.
